**Being Elizabeth: A Novel (Ravenscar Series Book 3) By Barbara Taylor Bradford**

*The number-one bestselling author delivers her most provocative, sizzling novel yet—a story of money, power, love, and betrayal that only Barbara Taylor Bradford could write.*

At age twenty-five, Elizabeth Deravenel finds herself in a position few women her age could image: the head of Deravenels, a business empire that spans the globe. It's a company whose reach is wide and whose secrets are deep.

Deravenels has roots that go far back in her family's history, and she knows the price that many had to pay to see it reach the success it is today. And Elizabeth is the youngest executive in the company she now leads. Surrounded by rumors and disloyalty, she knows that there are many people who would give anything to take down the company—and her with it. With her enemies circling, she finds herself at a crossroad of choices involving her mind, her heart, and her destiny. As scandal surrounds the one man she's ever loved, Elizabeth discovers how the next move she makes could have deadly and final consequences. *Being Elizabeth* is Barbara Taylor Bradford at her storytelling best.

"Rife with dastardly interneccine struggles, smoldering illicit passion, and cowardly insidious betrayals...packs as much intrigue as any Shakespearean royal drama."

---Booklist on *The Heir*

### Editorial Review

#### From [Booklist](#)

The new reigning queen of Deravenels, the UK's largest global conglomerate, is Elizabeth Turner, a 25-year-old, auburn-haired beauty who regained control of her family's multifaceted enterprise following the death of her half-sister, Mary. Ruthless in her grasp of power yet an ineffective manager, Mary nearly succeeded in bankrupting Deravenels, and it now falls to Elizabeth to staunch financial losses and bring the corporation into the twenty-first century. As with any ruling entity, however, Elizabeth has both loyalists who would do anything to protect her and schemers who will stop at nothing to destroy her. Another Mary is lurking on the horizon, a cousin who erroneously believes she is the true heir to the Deravenel fortune; but aided by a triumvirate of trusted allies, including her lover, Robert Dunley, Elizabeth may just be able to stave off another family coup. Milking the royal metaphor for all it's worth, Bradford saturates her novel with the kind of intricate interneccine plotting best suited to a Shakespearean drama. Despite the obsessive restating of characters' identities, personal connections, and past misdeeds, however, it is imperative that readers have prior knowledge of the first two entries in Bradford's Ravenscar trilogy to be able to appreciate the complexities of the final installment. --Carol Haggas

#### Review

"Rife with dastardly interneccine struggles, smoldering illicit passion, and cowardly insidious betrayals...[the Deravenels] pack as much intrigue as any Shakespearean royal drama." *?Booklist*

"Fans will be thrilled by the third Ravenscar book, a modern, corporate version of Tudor England.... Bradford is the master of grand, sweeping family sagas." *?RT Book Reviews*

"Bradford transports us to a world of opulence, power and riches.... It never disappoints." *?Bookreporter.com*

#### Review

Praise for Barbara Taylor Bradford: 'The storyteller of substance' *The Times* 'Queen of the genre' *Sunday Times* 'Few novelists are as consummate as Barbara Taylor Bradford at keeping the reader turning the page. She is one of the world's best at spinning yarns' *Guardian* 'Memorable and moving! a sure-fire winner' *Express*
