Hebrews for Everyone (The New Testament for Everyone) By Tom Wright

Writing in an approachable and anecdotal style, Tom Wright helps us to find our way around the letter to the Hebrews, one of the most challenging writings in the New Testament. He acknowledges that people often find it difficult, because some of the ideas it contains are strange to us. Yet, like meeting a new friend, Wright helps us to find Hebrews full of interest and delight, with a powerful message that comes home to the church of today and tomorrow just as much as it did to the church of yesterday.

Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.
