Editorial Review

Amazon.com Review

If *No Greater Love* doesn't soften your heart, nothing will. Rather than proselytizing, Mother Teresa gives simple encouragement to love and give and sacrifice. The anecdotes she tells--of the woman who calls her crippled son "Teacher of Love," or the child who prefers to live with her mother under a tree to living in the relative comfort of Mother Teresa's home--evoke a bittersweet tenderness in the reader, a feeling that Mother Teresa is correct in saying that we must conquer the world not with bombs but with love.
