The Last White Rose: The Secret Wars of the Tudors By Desmond Seward

A brilliant new interpretation of one of the most dramatic periods of British history: The Tudor victory and their dynasty.

One of the most dramatic periods of British history, the Wars of the Roses didn't end at the Battle of Bosworth in 1485. Despite the death of Richard III and Henry VII's victory, it continued underground into the following century with plots, pretenders and subterfuge by the ousted white rose faction. In a brand new interpretation of this turning point in history, well known historian Desmond Seward reviews the story of the Tudors' seizure of the throne and shows that for many years they were far from secure.

He challenges the way we look at the reigns of Henry VII and Henry VIII, explaining why there were so many Yorkist pretenders and conspiracies, and why the new dynasty had such difficulty establishing itself. King Richard's nephews, the Earl of Warwick and the little known de la Pole brothers, all had the support of dangerous enemies overseas, while England was split when the lowly Perkin Warbeck skilfully impersonated one of the princes in the tower in order to claim the right to the throne. Warwick's surviving sister Margaret also became the desperate focus of hopes that the White Rose would be reborn.

The book also offers a new perspective on why Henry VIII, constantly threatened by treachery, real or imagined, and desperate to secure his power with a male heir, became a tyrant.

Editorial Review

From [Booklist](#)

After defeating Richard III in 1485, Henry Tudor seemed to have secured his claim to England's throne by marrying into the Yorkist party in the War of the Roses, according to Elizabeth of York (2013), a biography of the consort by Alison Weir. But not according to historian Seward. The first two Tudors fretted throughout their reigns over real and imagined conspiracies by surviving lineal descendents of the Plantagenet dynasty. In successive narratives, Seward depicts several genuine uprisings against Henry VII, including one led by an impostor (see *The Perfect Prince: The Mystery of Perkin Warbeck*, by Ann Wroe, 2003). Explaining popular discontents that would coalesce around a Yorkist pretender, Seward gives good account of the Tudors' political fears, which would be allayed by sending the Yorkist to the Tower and then to the block. But whereas Henry VII's fear of the former dynasty had a factual basis, Henry VIII's tended to be conspiratorial farragoes of his paranoid mind, as Seward negatively portrays it. In command of sources, Seward ably meets the unflagging popular interest in the Tudors. --Gilbert Taylor

Review

"Gripping and enthralling. No writer of fiction, however imaginative, could dream up more spell binding plots than what actually happened, so skilfully recounted here." (Robert Hutchinson, author of *The Last Days of Henry VIII*)

"*The Last White Rose* is history as it should be written: without hindsight or embellishment, but with erudition and a sense of immediacy that makes it a gripping and original read." (Jessie Childs, author of *Henry VIII's Last Victim*)

"An entertaining and valuable exploration of the early Tudor period." (The Literary Review)

About the Author

Desmond Seward was born in Paris and educated at Cambridge. He is the author of *Richard III*, *The Last White Rose*, *The Demon's Brood*, and *The Warrior King and the Invasion of France*. He lives in England.

Users Review

From reader reviews:

Nannie Hand:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each guide has different aim or maybe goal; it means that reserve has different type. Some people truly feel enjoy to spend their time for you to read a book. They are really reading whatever they consider because their hobby is definitely reading a book. Think about the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or maybe exercise. Well, probably you will need this *The Last White Rose: The Secret Wars of the Tudors*.

Amy Zambrano:

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have free time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this kind of The Last White Rose: The Secret Wars of the Tudors to read.

Roger Thomas:

Reading a publication can be one of a lot of pastime that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new information. When you read a guide you will get new information simply because book is one of many ways to share the information or even their idea. Second, examining a book will make anyone more imaginative. When you studying a book especially tale fantasy book the author will bring one to imagine the story how the personas do it anything. Third, you are able to share your knowledge to some others. When you read this The Last White Rose: The Secret Wars of the Tudors, you may tells your family, friends along with soon about yours guide. Your knowledge can inspire the mediocre, make them reading a book.

Carlos Tabor:

Playing with family in a park, coming to see the water world or hanging out with good friends is thing that usually you could have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The Last White Rose: The Secret Wars of the Tudors, you may enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.
