### Touch the Dark (Cassandra Palmer) By Karen Chance

Cassandra Palmer can see the future and communicate with spirits—talents that make her attractive to the dead and the undead. The ghosts of the dead aren't usually dangerous; they just like to talk...a lot.

The undead are another matter.

Like any sensible girl, Cassie tries to avoid vampires. But when the bloodsucking mafioso she escaped three years ago finds Cassie again with vengeance on his mind, she's forced to turn to the vampire Senate for protection.

The undead senators won't help her for nothing, and Cassie finds herself working with one of their most powerful members, a dangerously seductive master vampire—and the price he demands may be more than Cassie is willing to pay....

### Editorial Review

#### From [Booklist](#)

Cassandra Palmer has been in hiding for three years since she escaped Antonio, the master vampire who raised her after he had her parents killed when she was only four. A gifted clairvoyant, Cassandra was Antonio's useful tool until she discovered his complicity in her parents' deaths and fled his estate. Tony has finally caught up with her, but he isn't the only one. The vampire senate is after her, too, and they've sent sexy vampire Tomas, who insinuated himself into her life by pretending to be an abused runaway, to watch over her. After Cassie and Tomas are attacked, he brings her to the senate. There she learns that the mages are gunning for her, too, as is the powerful vampire Rasputin, who is gearing up to challenge the senate. Cassie is in a race against time to save her own life and find out why so many want her dead. Exciting and inventive, with definite series potential. *Kristine Huntley*
