## Valuation: Measuring and Managing the Value of Companies, 3rd Edition

By McKinsey & Company Inc., Tom Copeland, Tim Koller, Jack Murrin

**Completely Updated, Over 200,000 Copies Sold!**

"A 'how-to' guide for corporate executives who want to get at the unrealized shareholder values trapped in public companies."

—*New York Times*

**THE #1 guide TO CORPORATE VALUATION IS NOW BETTER THAN EVER!**

"The book's clarity and comprehensive coverage make it one of the best practitioners' guides to valuation."

—*Financial Times*

"Should serve very well the professional manager who wants to do some serious thinking about what really does contribute value to his or her firm and why."

—*The Journal of Finance*

"Valuation is like a Swiss army knife . . . you will be prepared for just about any contingency."

—Martin H. Dubilier, Chairman of the Board, Clayton & Dubilier, Inc.

"This book on valuation represents fresh new thinking. The writing is clear and direct, combining the best academic principles with actual experience to arrive at value-increasing solutions."

—J. Fred Weston, Cordner Professor of Money and Financial Markets, Graduate School of Management, UCLA

## **Editorial Review**

### **Review**

"Information in the book is clearly presented. A good read which will enable you to approach corporate valuation with confidence." (Lloyd's List, 4th November 2000)

### **From the Inside Flap**

Hailed by financial professionals worldwide as the single best guide of its kind, Valuation provides crucial insights into how to measure, manage, and maximize a company's value. This long-awaited Third Edition has been comprehensively updated and expanded to reflect business conditions in today's volatile global economy and to provide highly effective ways for managers at every level to create value for their companies.

In addition to all new case studies, Valuation now includes in-depth coverage on valuing dot.coms, cyclical companies, and companies in emerging markets, along with detailed instructions on how to drive value creation and apply real options to corporate valuation. Here is expert guidance that management and investment professionals and students alike have come to trust, including:

- \* Valuation's acclaimed chapter devoted to insights into the strategic advantages of value-based management
- \* Strategies for multibusiness valuation, and valuation for corporate restructuring, mergers, and acquisitions
- \* International comparisons of the cost of capital, differences in accounting procedures, and how valuation works in different countries
- \* Detailed, actual case studies showing how valuation techniques and principles are applied

This timeless, respected book on valuation allows you to face the crossroads where corporate strategy and finance meet with more confidence and winning strategies than ever before.

## **Users Review**

### **From reader reviews:**

#### **Desmond Gorman:**

Spent a free time to be fun activity to perform! A lot of people spent their leisure time with their family, or their particular friends. Usually they carrying out activity like watching television, about to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Can be reading a book might be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the reserve untitled Valuation: Measuring and Managing the Value of Companies, 3rd Edition can be very good book to read. May be it may be best activity to you.

#### **Luis Vargas:**

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or playing video games all day long. In order to try to find a new activity that's look different you can read a new book. It is really fun for yourself. If you enjoy the book that you just read you can spent all day every day to reading a book. The book Valuation: Measuring and Managing the Value of Companies, 3rd Edition it is extremely good to read. There are a lot of people that recommended this book. They were enjoying reading this book. In case you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book through your smart phone. The price is not too costly but this book features high quality.

#### **Ernest Ainsworth:**

Is it anyone who having spare time then spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Valuation: Measuring and Managing the Value of Companies, 3rd Edition can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

**Earl Wright:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Valuation: Measuring and Managing the Value of Companies, 3rd Edition can make you truly feel more interested to read.
