Editorial Review

From Publishers Weekly

An ex-con tries to make good while an old flame tries to make trouble in this smart, gritty and gripping 10th novel by bestseller Dickey (*Naughty or Nice*, etc.). "[S]ix-two and dark as an open road," Driver spent two years in lockdown to spare his gay albino brother, Rufus; these days he's a chauffeur. Driver likes to hang with his boss, Wolf; they drink beer, have a laugh, do the crossword, shoot pool. It's all cool—as long as Wolf doesn't find out about Driver's affair with Lisa, Wolf's wife. Even worse, Lisa gave Driver 15 large to kill her husband. Driver couldn't do it, but he spent the money on his mother's funeral; Lisa will forgive the debt if Driver keeps "dicking her down." When he won't, she tries to run him down with her Hummer. Next trick? An ugly pair of thugs who stalk and threaten him. Meanwhile, Driver must drive a visiting celebrity author—notorious for inflammatory race-related statements and for wearing the silver briefcase containing his next million-dollar book handcuffed to his wrist—all over L.A. Steamy sex scenes alternate with mayhem and vandalism; the lively, truncated dialogue is filled with literary references, product placements and newsworthy names. Urban melodrama, gorgeous grifters, a tough but likable hero and sharp takes on racial politics add up to another winner.

From Booklist

Another novel with a cliched title--but with an atypical backdrop. The famous Dickey love-story formula here begins with intrigue, but it turns into what may be his best novel to date. Driver, an ex-convict, accepts \$15,000 to kill Lisa's husband, Wolf, but is unable to do the deed. In a twist of fate, Wolf hires Driver as a chauffeur at his limousine company. Lisa is so irate at Driver's audacity--for accepting a job with her husband and keeping the money--she begins to stalk him. Arizona, a beautiful con artist, offers Driver an opportunity to make a lot of money fast if he is willing to take some risks. Panther is a stripper with whom Driver spends time, and she becomes the only woman he can trust. As all three women put forth their best efforts, Driver becomes crazed and caught in the middle--there's the woman who loves him, the woman who has been scorned, and the woman who lusts for him. Similar to the work of Donald Goines, this page-turner will appeal to the same audience. *Lillian Lewis*

From reader reviews:

Paula Adame:

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored

faster. And you have free time? What did you do? Every individual has many questions above. They need to answer that question because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this Drive Me Crazy to read.

Tamica Harris:

This Drive Me Crazy usually are reliable for you who want to certainly be a successful person, why. The reason why of this Drive Me Crazy can be one of the great books you must have is usually giving you more than just simple studying food but feed a person with information that perhaps will shock your previous knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions both in e-book and printed ones. Beside that this Drive Me Crazy giving you an enormous of experience for example rich vocabulary, giving you trial of critical thinking that we know it useful in your day action. So , let's have it and luxuriate in reading.

Larisa Nagle:

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV the entire day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Touch screen phone. Like Drive Me Crazy which is having the e-book version. So , try out this book? Let's see.

Cheryl Saldana:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Drive Me Crazy can be the response, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
