El Santos 9: Eso es todo amigos. El epilogo By Jose Trinidad Camacho Orozco (Trino), Jose Ignacio Solorzano Perez (Jis)

The creation of the character The Saint and the series of extraordinary situations that surround him have made his comic strip a classic. The order of this collection, in which The Saint confronts the zombies of Sahuayo, Godzilla, and many others, is a bit unique—it begins with the fifth volume, backtracks with four prequels, and finishes masterfully with four volumes of comics that have never before been published.
