**Gulliver's Travels (Dover Thrift Editions) By Jonathan Swift**

Regarded as the preeminent prose satirist in the English language, Jonathan Swift (1667–1745) intended this masterpiece, as he once wrote Alexander Pope, to "vex the world rather than divert it." Savagely ironic, it portrays man as foolish at best, and at worst, not much more than an ape.

The direct and unadorned narrative describes four remarkable journeys of ship's surgeon Lemuel Gulliver, among them, one to the land of Lilliput, where six-inch-high inhabitants bicker over trivialities; and another to Brobdingnag, a land where giants reduce man to insignificance.

Written with disarming simplicity and careful attention to detail, this classic is diverse in its appeal: for children, it remains an enchanting fantasy. For adults, it is a witty parody of political life in Swift's time and a scathing send-up of manners and morals in 18th-century England.

### Editorial Review

From School Library Journal

Gr 7 Up-Jonathan Swift's satirical novel was first published in 1726, yet it is still valid today. Gulliver's Travels describes the four fantastic voyages of Lemuel Gulliver, a kindly ship's surgeon. Swift portrays him as an observer, a reporter, and a victim of circumstance. His travels take him to Lilliput where he is a giant observing tiny people. In Brobdingnag, the tables are reversed and he is the tiny person in a land of giants where he is exhibited as a curiosity at markets and fairs. The flying island of Laputa is the scene of his next voyage. The people plan and plot as their country lies in ruins. It is a world of illusion and distorted values. The fourth and final voyage takes him to the home of the Houyhnhnms, gentle horses who rule the land. He also encounters Yahoos, filthy bestial creatures who resemble humans. The story is read by British actor Martin Shaw with impeccable diction and clarity and great inflection. If broken into short listening segments, the tapes are an excellent tool for presenting an abridged version of Gulliver's Travels.-Jean Deck, Lambuth University, Jackson, TN

### Review

Adults as well as teens will appreciate the abridged story of Gulliver on tape: a reading strengthened by Robert Hardy's excellent rendition. This engaging satire comes forth even stronger in audio format, reinforcing the classic Gulliver tale. -- *Midwest Book Review*
