Llama Llama Misses Mama By Anna Dewdney

Strange new teacher.

Strange new toys.

Lots of kids and lots of noise!

What would Llama like to do?

Llama Llama feels so new . . .

It's Llama Llama's first day of preschool! And Llama Llama's mama makes sure he's ready. They meet the teachers. See the other children. Look at all the books and games. But then it's time for Mama to leave. And suddenly Llama Llama isn't so excited anymore. Will Mama Llama come back?

Of course she will. But before she does, the other children show Llama Llama how much fun school can be!

Editorial Review

About the Author

Anna Dewdney was a teacher, mother, and enthusiastic proponent of reading aloud to children. She continually honed her skills as an artist and writer and published her first Llama Llama book in 2005. Her passion for creating extended to home and garden and she lovingly restored an 18th century farmhouse in southern Vermont. She wrote, painted, gardened, and lived there with her partner, Reed, her two daughters, two wirehaired pointing griffons, and one bulldog. Anna passed away in 2016, but her spirit will live on in her books.

Users Review

From reader reviews:

Rebecca West:

In other case, little persons like to read book Llama Llama Misses Mama. You can choose the best book if you like reading a book. Given that we know about how is important any book Llama Llama Misses Mama. You can add understanding and of course you can around the world by the book.
