The Anonymous Man By Vincent L. Scarsella

What if one day you could become anonymous, free of obligations, free to do what you have always wanted to do?

That's exactly what Jerry Shaw pulls off after faking his death to collect on a \$4 million life insurance policy. But just when Jerry thinks he has escaped his former life, he is betrayed by his co-conspirators, his wife and best friend, and learns that a tenacious insurance company investigator is hot on his heels.

You won't be able to put down this twisting and suspenseful novel, wondering if Jerry will ultimately get to do what he has always wanted, to become anonymous, just like the hero of his comic book creation, The Anonymous Man, and then not only draw his further adventures, but live them.

Editorial Review

Review

"Writer Vincent Scarsella is a tricky guy. If he disappears one day nobody will ever find him. I know this, how? The Anonymous Man is a handy guide to absconding with a ton of loot and rebooting your present mundane existence. Couple things, though. Don't attend your own funeral. And make sure you really, really trust your wife and best friend." - Rusty Clark (April 2016)

"The book starts with Jerry observing his own funeral and then goes back to tell the preceding events. What follows twists and turns with an investigator hot on their heels - I don't want to ruin the story but would highly recommend this book and will look out for this author in the future." - Kay Bagridge (April 2016)

"One of the standouts for me is the detail the Author has put into the characters. I would definitely recommend this book. It is very entertaining." - Todd Simpson (April 2016)

"'The Anonymous Man' gets decent marks for creativity and intricacy...it's a fast read that runs through familiar local settings to a satisfying conclusion...Scarsella has the makings of a good storyteller...he and [Jack] Fox could go places." - *The Buffalo News*.

"This book was a brilliant read. The main character Jerry left you feeling sorry for him and glad that he got away with his crime. Holly and Jeff were the ones punished and this felt like justice. Great story and I thoroughly enjoyed reading it." - Viv Fortune (May 2016)

About the Author

Vince Scarsella has published three novels since May 2013, including crime novels, "The Anonymous Man," and "Lawyers Gone Bad," from Aignos Publishing, as well as the young adult fantasy, "Escape From The Psi Academy," Book 1 of the Psi Wars!
