The Grin of the Dark By Ramsey Campbell

A former professor offers film critic Simon the chance of a lifetime—to write a book on one of the greatest long-lost comedians of the silent-film era, Tubby Thackeray. Simon is determined to find out the truth behind the jolly fat man's disappearance from film—and from the world.

Tubby's work carries the unmistakable stamp of the macabre. People literally laughed themselves to death during his performances. Soon, wherever Simon goes, laughter—and a clown's wide, threatening grin—follow. Is Simon losing his mind? Or is Tubby Thackeray waiting for him to open the door back to the world?

Ramsey Campbell has won a dozen British Fantasy and World Fantasy Awards and three Bram Stoker Awards. A new Campbell novel is an opportunity to delight in the craftsmanship of an extraordinary writer.

Editorial Review

From Publishers Weekly

Horror Grand Master Campbell (*The Overnight*) draws on the eeriness of clowns, silent comedians and wordless struggles to communicate in this unsettling surrealist fable. Disgraced film critic Simon Lester is writing a book on obscure silent film star Tubby Thackeray, whose outrageous shenanigans caused riots and madness in his audiences. Thanks to Thackeray's blacklisted status and nasty habit of paranormally pestering Simon, research on the book is as difficult and tedious as Simon's personal life, which decays as he struggles to demonstrate his competence while wrestling with forces that are swiftly driving him insane. Campbell's impeccable grasp of interpersonal dynamics makes Simon's confusion all the more cringe-worthy, though the narrative tension stumbles over meticulously reproduced, seemingly endless Internet arguments, and when the characters can't communicate with one another, they have trouble reaching the reader, too. The tale sometimes bows under its own weight, but mostly stands as a fine example of good scares delivered with class. (*July*)

From [Booklist](#)

Never one to rest on his already ample laurels, UK horror master Campbell turns in another excellent piece of inventive, chilling suspense. Unemployed London film critic Simon Lester receives an apparent lucky break when his old film professor commissions him to write a book about forgotten silent-film comedian Tubby Thackeray. Once deemed as good as Chaplin's and Keaton's, Thackeray's movies are mysteriously missing from cinematic archives. In tracking down references and attempting to solve the riddle of Thackeray's anomalous absence, Simon treks across the seamier landscape of film production, from porn factories to Amsterdam brothels. After many maddening false leads, encounters with sinister clowns, and e-mail exchanges with a particularly snide film buff, Simon stumbles on a disturbing secret about Thackeray's real identity that may have less to do with comedy than with an ancient evil. Part traditional horror, part mystery yarn, and part Hollywood homage, Campbell's tale manages to be both spine-chilling and characteristically British. Superlative entertainment, among Campbell's best efforts. *Carl Hays*

Review

“Campbell draws the reader into the story slowly, accumulating a wealth of detail and family dynamics. One of the most unsettling voices in horror literature, back in fine, eerie form with *The Darkest Part of the Woods*.”--*Fangoria*

“Rich and evocative . . . a high water mark of horror.”--*Publishers Weekly* (starred review) on *The Overnight*

“Not for the faint of heart.”--*Romantic Times BOOKreviews* on *The Overnight*

“For more than forty years, Ramsey Campbell has been one of the premier horror writers of the English-speaking world.”--*The Washington Post Book World* on *The Overnight*
