### **Editorial Review**

From Library Journal

CBGB was to the raw music of punk what the Cavern Club was to the Beatles. At the center of this anecdotal history of the club where the Ramones, Blondie, Television, and Talking Heads got their start is owner Hilly Kristal, ex-Marine and ex-singer. His club took off in 1976, beginning as a dark, seedy joint in New York's Bowery and eventually focusing on the kind of music Debbie Harry of Blondie described as "The sicker and funnier the better." The book is short on analysis or even clear description of the music or the era, so the uninitiated reader may be baffled by references to hardcore music and slam dancing. Further, since the club's seamier side receives minute description, this is not for the squeamish. Daniel J. Lombardo, Jones Lib., Amherst, Mass.
