Video Atlas of Cleft Lip and Palate Surgery By Derek Rogers, Christopher Hartnick, Usama Hamdan

Video Atlas of Cleft Lip and Palate Surgery aims to demonstrate techniques to medical professionals worldwide who are involved in the care of cleft lip, cleft palate, and related abnormalities, such as velopharyngeal insufficiency. This concise resource reviews the most salient procedures and techniques covering cleft lip and palate cases, including the medical considerations surrounding these cases, namely maxillofacial, anesthetic and speech considerations. High-quality videos illustrate the fundamental step-by-step approach to carrying out each procedure. Each chapter includes a "pearls and pitfalls" section reflecting the broad experience of the authors of identifying best practices.

For students, young physicians, and experts alike, this book serves as an invaluable resource to the field.

Editorial Review

Users Review

From reader reviews:

Edward Foland:

Book is to be different per grade. Book for children until adult are different content. To be sure that book is very important for us. The book Video Atlas of Cleft Lip and Palate Surgery seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The guide Video Atlas of Cleft Lip and Palate Surgery is not only giving you more new information but also being your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with all the book Video Atlas of Cleft Lip and Palate Surgery. You never truly feel lose out for everything in the event you read some books.

Susan Albro:

Video Atlas of Cleft Lip and Palate Surgery can be one of your basic books that are good idea. We recommend that straight away because this reserve has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The article author giving his/her effort to set every word into pleasure arrangement in writing Video Atlas of Cleft Lip and Palate Surgery although doesn't forget the main level, giving the reader the hottest in addition to based confirm resource information that maybe you can be among it. This great information may drawn you into completely new stage of crucial considering.

Milan Allen:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Video Atlas of Cleft Lip and Palate Surgery can make you really feel more interested to read.

Mary Bessler:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from the book. Book is prepared or printed or created from each source in which filled update of news. In this

modern era like at this point, many ways to get information are available for anyone. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just seeking the Video Atlas of Cleft Lip and Palate Surgery when you desired it?
