## **Editorial Review**

### **Review**

As a former Nepali language student of Mrs. Sushila Shrestha, I am grateful to her for the excellent program she prepared for me to learn Nepali language and culture in a very practical and useful way. Mrs. Shrestha's program of studies prepares the students to interact with Nepalese formally and informally in day-to-day social interactions. She uses opportunities in daily life to engage the student environment conducive to learning. Her textbook 'An Introduction to Basic Nepali Language' is very useful for beginning and intermediate Nepali language students to learn conversational Nepali. The textbook is clearly formatted for easy reference with many useful vocabulary words. I am happy to know that she now offers online classes through **access-nepal.com** in addition to the one on one classes in Nepal. I would highly recommend Mrs. Shrestha as a Nepali language teacher to any of my friends and colleagues. --Anne M. Peniston - USAID/Nepal

This book is small but important book in a clear and simple format, which permits students, who are learning Nepali, to converse more quickly, yet get a basic understanding of the grammar and special structures that make up the Nepali language. Writing and reading are nice and even necessary pastimes and one can learn them if they study grammar textbooks, but there is nothing quite as satisfying as being able to understand and express yourself in a language that is not your own, with people you have come to appreciate. This is a that does not overwhelm the reader, but provides all that is necessary for good communication without slighting the grammar. I, personally, carry it with me as my guide and advisor to spoken Nepali. It has become one of my cherished little possessions. --Lynne Topham - Surgical Assistant and Technical Writer

### **From reader reviews:**

#### **Margaret Watkins:**

Spent a free time for you to be fun activity to accomplish! A lot of people spent their leisure time with their family, or all their friends. Usually they accomplishing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could possibly be reading a book might be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to consider look for book, may be the book untitled An Introduction to Basic Nepali Language Textbook & Audio CD- Fourth Edition + Free 1 hour Skype Lesson for limited time only can be fine book to read. May be it is usually best activity to you.

#### **Helen Leavitt:**

The reason why? Because this An Introduction to Basic Nepali Language Textbook & Audio CD- Fourth Edition + Free 1 hour Skype Lesson for limited time only is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

#### **Jill Beery:**

On this era which is the greater man or woman or who has ability in doing something more are more precious than other. Do you want to become one of it? It is just simple way to have that. What you have to do is just spending your time very little but quite enough to get a look at some books. Among the books in the top checklist in your reading list is actually An Introduction to Basic Nepali Language Textbook & Audio CD- Fourth Edition + Free 1 hour Skype Lesson for limited time only. This book and that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking way up and review this publication you can get many advantages.

#### **Tammy Paradis:**

What is your hobby? Have you heard in which question when you got students? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as looking at become their hobby. You should know that reading is

very important as well as book as to be the point. Book is important thing to add you knowledge, except your current teacher or lecturer. You get good news or update about something by book. Different categories of books that can you take to be your object. One of them is actually An Introduction to Basic Nepali Language Textbook & Audio CD- Fourth Edition + Free 1 hour Skype Lesson for limited time only.
