#### **Review**

On rare occasions a book allows us to be utterly drawn in, to fall into another realm where a certain perspective we once struggled with becomes crystal clear. In essence, *Circle of Stones* is about discovering the power of the feminine and the core of our beings. It is rich with the history, myth and images of the collective consciousness of woman to guide us in our journey. Beautifully conveyed, it is art, poetry and metaphor-astonishingly simple, yet undeniably sublime. -- *From The WomanSource Catalog & Review: Tools for Connecting the Community for Women; review by Ilene Rosoff*
