Cuestión de énfasis / Where The Stress Falls (Spanish Edition) By Susan Sontag

Treinta y cinco años después de su primera colección de ensayos, el hoy clásico *Contra la interpretación*, Susan Sontag seleccionó cuarenta y un textos compuestos entre 1982 y 2003 y los dividió en las tres secciones de este libro. «Lecturas» recoge apasionados ensayos sobre escritores de su canon personal, como Barthes, Sebald, Borges, Tsvetáieva y Rulfo. En «Miradas» comparte su pasión por el cine, la fotografía, la pintura y las artes escénicas. Finalmente, en «Allí y aquí», indaga en su compromiso (y su activismo) por la construcción de una conciencia y en su vocación de escritora.

«Un documento para verificar el paso del tiempo en el cuerpo de una generación que se forjó en esa moneda de cara y cruz que fueron Nueva York y París en los años dorados.»

Mauro Libertella, *Página/12*
