Defiance (Defiance Trilogy) By C. J. Redwine

Defiance by C. J. Redwine is rich postapocalyptic YA fantasy perfect for fans of *Graceling* and Tamora Pierce.

While the other girls in the walled city-state of Baalboden learn to sew and dance, Rachel Adams learns to track and hunt. While they bend like reeds to the will of their male Protectors, she uses hers for sparring practice.

When Rachel's father fails to return from a courier mission and is declared dead, the city's brutal Commander assigns Rachel a new Protector: her father's apprentice, Logan—the boy she declared her love to and who turned her down two years before. Left with nothing but fierce belief in her father's survival, Rachel decides to escape and find him herself.

As Rachel and Logan battle their way through the Wasteland, stalked by a monster that can't be killed and an army of assassins out for blood, they discover romance, heartbreak, and a truth that will incite a war decades in the making.

Editorial Review

From [Booklist](#)

In this distinctively imagined dystopian fantasy, Rachel and Logan must throw their lots together in order to fight for justice against a cruel city-state dictator known as the Commander. At 15, Rachel possesses qualities normally forbidden to girls, such as fighting skills, self-confidence, and a nurtured belief in her own independence. Logan, a few years older, became her courier father's apprentice when he was an orphan. Now that her father has disappeared, the teens discover, to their mutual dissatisfaction, that Logan has been named Rachel's protector. In alternating voices, Redwine unfolds the adventures, threats, deep disappointments, and hard-won gains the two teens experience. Logan is a tech whiz who places logic and planning above quick response, while Rachel's passionate disposition has her reaching further than she can readily grasp. The fantasy elements include a fearsome beast known as the Cursed One, a kind of underground dragon the Commander uses to control the common people. Fans of Ursula K. Le Guin will be excited to meet this new but skilled fantasist. Grades 8-11. --Francisca Goldsmith

Review

“A well-paced, heart-wrenching tale of loyalty, courage, and love.” (Romantic Times)

“Spellbinding, romantic, and impossible to put down.” (Julie Kagawa, New York Times Bestselling author of the Iron Fey series and the Blood of Eden series)

“C.J. Redwine’s **DEFIANCE** is a gritty, thrilling adventure sprinkled with moments of breathtaking tenderness. I read it in one sitting.” (Rae Carson, Morris Award finalist for **THE GIRL OF FIRE AND THORNS**)

“**DEFIANCE** defies all reader expectations, giving us both a post-apocalyptic setting rife with history and a plot that’s as much about the discovery of one’s own humanity as it is about survival.” (Lisa Mantchev, author of **EYES LIKE STARS**)

From the Back Cover

Rachel Adams has a secret. While other girls in Baalboden sew dresses and obey their male Protectors, Rachel knows how to survive in the wilderness and wield a sword. When her father, Jared, fails to return from a courier mission and is declared dead, the city's brutal Commander assigns Rachel a new Protector, her father's apprentice, Logan—the boy Rachel declared her love for two years ago . . . and the one who handed her heart right back to her. Left with only a fierce belief in her father's survival, Rachel decides to find him herself. But what awaits her in the Wasteland could destroy her.

Logan McEntire is many things. Orphan. Outcast. Inventor. Apprentice to the city's top courier, Logan is focused on learning his trade so he can escape the tyranny of Baalboden. But his plan never included being responsible for his mentor's impulsive daughter. Logan is determined to protect her, but when his escape plan goes wrong and Rachel pays the price, he realizes he has more at stake than disappointing Jared.

As Rachel and Logan battle their way through the Wasteland, stalked by a monster that can't be killed and an army of assassins out for blood, they discover romance, heartbreak, and a truth that will incite a war decades in the making.
