Economic Development (12th Edition) (The Pearson Series in Economics)

By Michael P. Todaro, Stephen C. Smith

For courses on economic development

A complete, balanced introduction to the theory, issues, and latest research.

Economic Development, Twelfth Edition—the leading textbook in this field—provides students with a complete and balanced introduction to the requisite theory, driving policy issues, and latest research. Todaro and Smith take a policy-oriented approach, presenting economic theory in the context of critical policy debates and country-specific case studies so you can see how theory relates to the problems and prospects of developing countries.

Teaching and Learning Experiences

This program presents a better teaching and learning experience—for you and your students.

- **Use the text's Hallmark Approach to presenting engaging information:** Shaped by the authors' personalities, this approach is backed up with extensive research and travel to provide the best data possible.
- **Teach with strong pedagogy tools:** The text reinforces central key concepts by presenting a clear learning path for students.
- **Give students a real-world global perspective:** Students are able to gain a unique perspective about world issues from two authors who strive to address different sides to problems.

Editorial Review

From the Back Cover

Accessible theory, relevant policy issues, and the latest data and research, in the context of a thorough introduction to the developing world.

Economic Development, - the leading textbook in this field - provides students with a complete and balanced introduction to the requisite theory, driving policy issues, and latest research. Todaro and Smith take a policy-oriented approach, presenting economic theory in the context of critical policy debates and country-specific case studies, to see how theory relates to the problems and prospects of developing countries.

New to this edition

- **Findings Boxes** – new intuitive introductions to important recent research
- **Global Crisis** – up-to-date challenges and opportunities for developing countries
- **Policy Analysis and case studies** – review great progress in many developing countries, plus big challenges such as violent conflict and climate change; insights from comparative case studies such as Costa Rica, Guatemala and Honduras.

Users Review

From reader reviews:

Fatima Leonard:

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that question above. Every person has various personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great along with important the book Economic Development (12th Edition) (The Pearson Series in Economics). All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

David Trudeau:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and make progress.

Some of you maybe will probably update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This Economic Development (12th Edition) (The Pearson Series in Economics) is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Carolyn Rolon:

Reading can called mind hangout, why? Because when you find yourself reading a book specifically book entitled Economic Development (12th Edition) (The Pearson Series in Economics) your thoughts will drift away trough every dimension, wandering in every aspect that maybe not known for but surely can be your mind friends. Imaging each word written in a book then become one application form conclusion and explanation this maybe you never get before. The Economic Development (12th Edition) (The Pearson Series in Economics) giving you a different experience more than blown away your thoughts but also giving you useful information for your better life in this particular era. So now let us teach you the relaxing pattern here is your body and mind will be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Deanne Mohammed:

Your reading 6th sense will not betray anyone, why because this Economic Development (12th Edition) (The Pearson Series in Economics) e-book written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still uncertainty Economic Development (12th Edition) (The Pearson Series in Economics) as good book not merely by the cover but also through the content. This is one book that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.
