Gerrard: My Autobiography By Steven Gerrard

Steven Gerrard is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying tensions and the high-octane thrills of the modern game as never before. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006.
