Guilty Pleasures By Donna Hill

Jake and Eva Kelly are masters at what they do. From the sex games they play with each other to the cons they pull on their unsuspecting marks, they are unstoppable. To the outside world, Jake and Eva are just another young yuppie couple living their dream under the bright lights of New York City. Life is good, money is flowing, and living is large. They couldn't ask for more---until Jake gets greedy. Only this time they pick the wrong mark. The tables have turned and their addiction to the game could cost them everything---even their lives.

Now Jake and Eva are forced to pull off the sting of their careers. With the help of Jake's brother Jinx and Eva's look-alike cousin Rita they board a cruise ship from Brazil to take down Xavier Suarez, one of the most notorious figures in the underworld. From the streets of New York City to the steamy tropics of Brazil, from the coast of Miami to the paradise of Hawaii, they hatch a plan with no room for errors.

With the FBI hot on their trail and under the threat of Suarez's unspeakable wrath, every trick they've ever learned comes into play. But it is their own dark past that threatens their future, and the secret that Eva harbors that could ruin everything.

Editorial Review

From Publishers Weekly

With "fifty published titles to her credit," Hill checks in with a tepid offering of R-rated crime. Eva and Jake Kelly, an oversexed Manhattan couple who have glamorous day-jobs in the respective worlds of fashion and luxury car sales, moonlight as a high-rolling, con-artist power-couple. Together with Jake's brother Jinx, an expert hacker, and Eva's cousin Rita, a master forger, they embark on one last heist that'll net them enough to retire forever. The requisite crosses and double-crosses involve smuggled diamonds, the FBI and suave South American villains, and proceed at a pace about equal to the speed of the cruise ship on which they all end up. Hill (Getting Hers) injects some emotion into the characters's various inter-relations and motivations, but dialog is flat ("You have forced me to respect you, beautiful Rita," says slick thug Xavier Suarez as the two hold off from having sex), and various short sex scenes fail to gloss the lack of meaningful complication.

Review

"A page-turning tale of murder, intrigue, and revenge... with its zippy dialogue, ruthless yet vulnerable woman and quickly escalating plot, the romp offers satisfying fantasy." - Publishers Weekly praise for **GETTING HERs.**"

From the Back Cover

HOW BAD DO YOU WANT IT?

Eva and Jake Kelly live the high life in Manhattan, with a beautiful apartment and successful careers in fashion design and car sales, respectively. But they get their thrills from the con. They learned a long time ago they can extort wads of cash from drunk men who are in town on business and away from their wives. But when one of their marks turns on them after they demand blackmail money, their fun days look to be over. Until Eva comes up with a plan. With the help of their friends, they rob a cruise ship en route to Miami, turn the tables on their mark and his wife, and head full on into life on the lam...

"Guilty Pleasures is just that?a story rich with wickedly dark yet sparkling characters, all of them seemingly on the make, weaving through a plot that revs up early and races full-throttle ahead. Told with Donna Hill's inimitable flair, this tale is definitely worth escaping into."?Lolita Files, bestselling author of *sex. lies. murder. fame.*
