### Midnight Encounters By Elle Kennedy

Wrong bed.right man? Between her waitressing job, volunteer work, and college classes, there are never enough hours in the day for Maggie Reilly. Especially not for a relationship. She's got the perfect arrangment, though-a lover she meets three or four times a year. This weekend is one of those rare times, and she's more than ready for a few nights of stress-busting sex. But when she shows up at the hotel expecting to hop into bed with one man, she accidentally ends up with quite another: Ben Barrett, Hollywood's most notorious bad boy. Ben, determined to lay low after another scandal, has checked into the hotel for some much-needed sleep. What he gets is a scorching-hot makeout session with a gorgeous, naked redhead. He won't accept her apology, but what he will accept is a place to hide out-in her arms. In exchange, he'll give her what she wants. A full week of no-strings sex. Ben soon finds out that one week with the fiery redhead is definitely not enough. He finds himself wanting more. A lot more. Now if only he can convince Maggie that a bad boy might just be good for her-and the best thing that's ever happened to both of them. Warning: This title contains a sexy movie star and a sassy redhead who know exactly how to heat up the sheets. The wild sex might require the use of an air-conditioner. Graphic language and explicit sex.
