**Music Education: Source Readings from Ancient Greece to Today** From Routledge

*Music Education: Source Readings from Ancient Greece to Today* is a collection of thematically organized essays that illuminate the importance of music education to individuals, communities and nations. The fourth edition has been expanded to address the significant societal changes that have occurred since the publication of the last edition, with a greater focus on current readings in government, philosophy, psychology, curriculum, sociology, and advocacy. This comprehensive text remains an essential reference for music educators today, demonstrating the value and support of their profession in the societies in which they live.
