Practicing: A Musician's Return to Music By Glenn Kurtz

In a remarkable memoir written with insight and humor, Glenn Kurtz takes us from his first lessons at the age of eight to his acceptance at the elite New England Conservatory of Music. After graduation, he attempts a solo career in Vienna but soon realizes that he has neither the ego nor the talent required to succeed and gives up the instrument, and his dream, entirely.

But not forever: Returning to the guitar, Kurtz weaves into the narrative the rich experience of a single practice session. *Practicing* takes us on a revelatory, inspiring journey: a love affair with music.
