Reality Check By Peter Abrahams

Will Cody save Clea before it's too late? QB of the varsity football team. Passing grades in all his classes. Dating the hottest—and smartest—girl at school. Summer job paying more than minimum wage. Things in Cody's world seem to be going pretty well. Until, that is, his girlfriend, Clea, is sent off to boarding school across the country, and a torn ACL ends his high school football career. But bad things come in threes—or in Cody's case, sixes and twelves—and the worst is yet to come. While limping through town one day, Cody sees a newspaper headline: "Local Girl Missing." Clea, now his ex, has disappeared from her boarding school in Vermont, and the only clue is a letter she sent to Cody the morning of her disappearance. With that as his guide, Cody sets out to find out what happened. Once in Vermont, he uncovers the town's secrets—and finds out that football isn't the only thing he's good at.

This is another edge-of-your-seat suspense novel by the *New York Times* bestselling and Edgar Award-nominated author of *Down the Rabbit Hole*.

Editorial Review

Users Review

From reader reviews:

Allison Stiffler:

The book Reality Check gives you the sense of being enjoy for your spare time. You can use to make your capable more increase. Book can to be your best friend when you getting tension or having big problem using your subject. If you can make looking at a book Reality Check to be your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about many or all subjects. You are able to know everything if you like wide open and read a publication Reality Check. Kinds of book are several. It means that, science publication or encyclopedia or other people. So , how do you think about this e-book?

Hyacinth Mills:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make all of them keep up with the era which can be always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Reality Check is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Ruth Nicholson:

The ability that you get from Reality Check is a more deep you searching the information that hide inside the words the more you get serious about reading it. It doesn't mean that this book is hard to understand but Reality Check giving you buzz feeling of reading. The copy writer conveys their point in specific way that can be understood by means of anyone who read the idea because the author of this reserve is well-known enough. This kind of book also makes your own personal vocabulary increase well. Making it easy to understand then can go to you, both in printed or e-book style are available. We highly recommend you for having this specific Reality Check instantly.

Patricia Diaz:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Reality Check can make you experience more interested to read.
