Editorial Review

Review

This is the ideal text for giving the first cut into the analysis of foreign policy. The categories it uses will give students an excellent initiation into the conventional perspectives of US foreign policy and lay the groundwork for more deeper and more critical discussions of US foreign policy and its implications.... The book is also well-written and is accessible to the typical college student. -Eric Fattor, Colorado State University

"Keith Shimko's timely and important *The Foreign Policy Puzzle* is the ideal book for anyone interested in understanding the nuances and stakes involved in alternative foreign policy options."

--Christopher Layne, University Distinguished Professor of International Affairs and Robert M. Gates Chair in National Security, *Texas A & M University*

"I really like this volume. It's smart, it's written for students, it's engaging, it's timely, and it's short enough that someone can pair this with another text. While most books focus on the constitutional invitation to struggle inherent in making foreign policy, Shimko refreshingly and insightfully focuses attention on the intellectual struggle behind US foreign policy."

-Patrick J. Haney, *Miami University*

About the Author

Keith Shimko is an Associate Professor of Political Science at Purdue University. He is the author of *The Iraq Wars and America's Military Revolution* (2010) and *Images and Arms Control* (1992).

Users Review

From reader reviews:

Robert Stratton:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each guide has different aim or maybe goal; it means that guide has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is definitely reading a book. Consider the person who don't like studying a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will need this The Foreign Policy Puzzle: Interests, Threats, and Tools.

John Frank:

Here thing why this specific The Foreign Policy Puzzle: Interests, Threats, and Tools are different and dependable to be yours. First of all examining a book is good nonetheless it depends in the content than it which is the content is as delightful as food or not. The Foreign Policy Puzzle: Interests, Threats, and Tools giving you information deeper and different ways, you can find any guide out there but there is no book that similar with The Foreign Policy Puzzle: Interests, Threats, and Tools. It gives you thrill examining journey, its open up your eyes about the thing that happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in park, café, or even in your method home by train. When you are having difficulties in bringing the branded book maybe the form of The Foreign Policy Puzzle: Interests, Threats, and Tools in e-book can be your option.

Shameka Nye:

This The Foreign Policy Puzzle: Interests, Threats, and Tools is great book for you because the content which is full of information for you who have always deal with world and still have to make decision every minute. This book reveal it facts accurately using great organize word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having The Foreign Policy Puzzle: Interests, Threats, and Tools in your hand like obtaining the world in your arm, facts in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt that will?

Irma Tijerina:

A lot of publication has printed but it differs from the others. You can get it by net on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever by means of searching from it. It is identified as of book The Foreign Policy Puzzle: Interests, Threats, and Tools. You can contribute your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make a person happier to read. It is most critical that, you must aware about reserve. It can bring you from one destination to other place.
