The Guns of Navarone By Alistair MacLean

The classic World War II thriller from the acclaimed master of action and suspense. Now issued for the first time as an e-book.

Twelve hundred British soldiers isolated on the small island of Kheros off the Turkish coast, waiting to die. Twelve hundred lives in jeopardy, lives that could be saved if only the guns could be silenced. The guns of Navarone, vigilant, savage and catastrophically accurate. Navarone itself, grim bastion of narrow straits manned by a mixed garrison of Germans and Italians, an apparently impregnable iron fortress. To Captain Keith Mallory, skilled saboteur, trained mountaineer, fell the task of leading the small party detailed to scale the vast, impossible precipice of Navarone and to blow up the guns. The Guns of Navarone is the story of that mission, the tale of a calculated risk taken in the time of war...

Editorial Review

Review

‘Could hardly be bettered.’

Sunday Times

‘Its strength comes from the speed of its narrative, its vivid creation of tensions and its power in handling descriptions of action.’

Evening Standard

‘Action sustained at a high pitch. From the outset there is a feeling of suspense: a problem that can only be solved by action involving danger and demanding courage ... an insistently gripping tale.’

Scotsman

From the Inside Flap

An entire navy had tried to silence the guns of Navarone and failed. Full-scale attacks had been driven back. Now they were sending in just five men, each one a specialist in dealing death.

About the Author

Alistair MacLean, the son of a Scots minister, was brought up in the Scottish Highlands. In 1941 he joined the Royal Navy. After the war he read English at Glasgow University and became a schoolmaster. The two and a half years he spent aboard a wartime cruiser were to give him the background for *HMS Ulysses*, his remarkably successful first novel, published in 1955. He is now recognized as one of the outstanding popular writers of the 20th century, the author of 29 worldwide bestsellers, many of which have been filmed. He died in 1987.

Users Review

From reader reviews:

Robert Brown:

As people who live in typically the modest era should be change about what going on or info even knowledge to make these keep up with the era which can be always change and make progress.
