Around Honeoye Lake: Richmond, Canadice, and Honeoye (Images of America) By Carol J. MacDonald

Honeoye Lake is one of the 11 Finger Lakes of western New York. Its shores are bordered by the towns of Richmond and Canadice. At the north end of the lake is the hamlet of Honeoye, the center of commercial business and services for both towns. The area is rich in history with evidence of the Point Peninsula people (c. 1000 bc), the Owascos and the Senecas, residing there before the early white settlers came in the late 1700s. Troops who had served under Gen. John Sullivan, on his march through the area, returned to their New England homes with high praise about the land they had seen. They were among the early settlers to come into the area, to farm, establish businesses, and build homes. Honeoye Lake is no longer the pristine lake surrounded by wooded hillsides that it once was. Today, it hosts year-round recreational activities, and more than 900 homes are located on its shores.

Title: History of Towns Surrounding Honeoye Lake Told Through Photographs

Publisher: Arcadia Publishing

Date: 6/20/2011

The newest addition to Arcadia Publishing's popular Images of America series is *Around Honeoye Lake: Richmond, Canadice, and Honeoye* from local author and historian Carol J. Schoonmaker. The book boasts more than 200 vintage images and memories of days gone by.

Honeoye Lake is one of the 11 Finger Lakes of western New York. Its shores are bordered by the towns of Richmond and Canadice. At the north end of the lake is the hamlet of Honeoye, the center of commercial business and services for both towns.

The area is rich in history with evidence of the Point Peninsula people (c. 1000 bc), the Owascos and the Senecas, residing there before the early white settlers came in the late 1700s. Troops who had served under Gen. John Sullivan, on his march through the area, returned to their New England homes with high praise about the land they had seen. They were among the early settlers to come into the area, to farm, establish businesses, and build homes.

Honeoye Lake is no longer the pristine lake surrounded by wooded hillsides that it once was. Today it hosts year-round recreational activities, and more than 900 homes are located on its shores.

Schoonmaker hopes that the book will "inspire local residents to be more aware of the area's history and to see that it is preserved for future generations."

Highlights of *Around Honeoye Lake*:

- The book is a combination of material in the Richmond Historical Museum and loaned from local residents.
- The Richmond Fire Department is celebrating its 75th year of operation this year. There was a time when the area did not have a local fire department and suffered from some extensive damage to the business areas of Honeoye.
