Bittersweet By Sarah Ockler

From the author of *Twenty Boy Summer*, a teen pushes the limits to follow her dreams—and learns there's a fine line between bitter and sweet....Once upon a time, Hudson knew exactly what her future looked like. Then a betrayal changed her life and knocked her dreams to the ground. Now she's a girl who doesn't believe in second chances, a girl who stays under the radar by baking cupcakes at her mom's diner and obsessing over what might have been.

So when things start looking up and she has another shot at her dreams, Hudson is equal parts hopeful and terrified. Of course, this is also the moment a cute, sweet guy walks into her life—and starts serving up some seriously mixed signals. She's got a lot on her plate, and for a girl who's been burned before, risking it all is easier said than done.

It's time for Hudson to ask herself what she really wants, and how much she's willing to sacrifice to get it. Because in a place where opportunities are fleeting, she knows this chance may very well be her last....

Editorial Review

From School Library Journal

Gr 9 Up—Three years have passed since Hudson Avery's parents divorced and her dream of skating professionally disappeared as quickly as her father's exit to the southwest. Now she's living in the snow-ravaged, dead-end town of Watonka, NY, and baking cupcakes at her mom's diner. As she enters her senior year of high school, the teenager's desire to skate again resurfaces with the announcement of a cash prize competition and a strange twist of events that lead her to coach the varsity hockey team in exchange for ice time. As she becomes more involved with the team, the two co-captains vie for Hudson's attention and she has to choose between the charismatic and charming Will and the sweet and sensitive Josh. Hudson has a lot of decisions to make, and making one often leads to a bittersweet ending and another opportunity. Ariadne Meyers does a great job of voicing all the characters in Ockler's novel (Simon Pulse, 2012) and conveying just the right tone for Hudson's innermost thoughts and daydreams. She nails the sarcasm and snark of the teenagers, their preferred method of communication in the novel, and she easily switches her tone to convey Hudson as vulnerable and sensitive. A good pick for libraries looking to add to their realistic teen romantic comedy collections.—Jennifer Mann, Cromaine District Library, MI ©(c) Copyright 2013. Review

"An entertaining read with an engaging, relatable protagonist. Hudson's lively first-person narrative is both wry and sympathetic, and it incorporates issues ranging from self-discovery to family and relationship complexities, along with identifying and following your dreams." --*Booklist*

"Ockler concocts an appetizing blend of personalities, drama, and passion in a story of bitter disappointments and sweet successes... [Hudson's] love of the sport is deeply felt, and her regrets about the past and her fears about the future are heart-wrenchingly real." --*Publishers Weekly*

"Bittersweet is a book worth recommending." --*School Library Journal*

About the Author

Sarah Ockler is the bestselling author of *#scandal*, *The Book of Broken Hearts*, *Bittersweet*, *Fixing Delilah*, and *Twenty Boy Summer*. Her books have received numerous accolades, including ALA's Best Fiction for Young Adults, Girls' Life Top 100 Must Reads, Indie Next List, and nominations for YALSA Teens' Top Ten, and NPR's Top 100 Teen Books. Users Review

From reader reviews:

Richard Smith:

This Bittersweet book is just not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is usually information inside this guide incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This Bittersweet without we understand teach the one who reading through it become critical in considering and analyzing. Don't end up being worry Bittersweet can bring whenever you are and not make your handbag space or bookshelves' come to be full because you can have it in the lovely laptop even phone. This Bittersweet having good arrangement in word and also layout, so you will not sense uninterested in reading.

Corrina Sutton:

Your reading 6th sense will not betray a person, why because this Bittersweet book written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and producing skill only for eliminate your hunger then you still question Bittersweet as good book but not only by the cover but also with the content. This is one reserve that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Rebecca Esquivel:

Many people spending their time period by playing outside along with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smart phone. Like Bittersweet which is obtaining the e-book version. So , why not try out this book? Let's find.

Sandra Earnhardt:

A lot of e-book has printed but it is unique. You can get it by net on social media. You can choose the very best book for you, science, amusing, novel, or whatever by means of searching from it. It is known as of book Bittersweet. You'll be able to your knowledge by it. Without making the printed book, it can add your knowledge and make you happier to read. It is most significant that, you must aware about book. It can bring you from one place to other place.
