His at Night (The London Trilogy Series) By Sherry Thomas

Love is hottest in the darkness before dawn.

Elissande Edgerton is a desperate woman, a virtual prisoner in the home of her tyrannical uncle. Only through marriage can she claim the freedom she craves. But how to catch the perfect man?

Lord Vere is used to baiting irresistible traps. As a secret agent for the government, he's tracked down some of the most devious criminals in London, all the while maintaining his cover as one of Society's most harmless—and idiotic—bachelors. But nothing can prepare him for the scandal of being ensnared by Elissande.

Forced into a marriage of convenience, Elissande and Vere are each about to discover that they're not the only one with a hidden agenda. With seduction their only weapon—and a dark secret from the past endangering both their lives—can they learn to trust each other even as they surrender to a passion that won't be denied?

From the Paperback edition.

Editorial Review

From Publishers Weekly

Thomas employs grand misunderstanding (as she did in 2008's *Private Arrangements*) to motivate this Victorian romance, which is replete with perfect period touches. The marquess of Vere fakes stupidity so no one will suspect he's investigating Edmund Douglas for fraud—and murder. Douglas's niece, Elissande, is thoroughly fooled and plots to snare the marquess and escape her vicious uncle. Through a comedy of accidents involving rats, spicy Victorian parlor games, and sneaking around hallways at night, Elissande tricks Vere into marriage. As attraction grows, she wants to admit her motivations, but Vere shuts his conniving bride out as Douglas swears revenge. Though both story line and misunderstandings feel contrived at times, Thomas writes with genuine wit and sympathy, and when hero and heroine actually connect, the humorous, graceful writing transcends a creaky plot. Review

Winner of Romance Writer of America's Prestigious RITA award for Best Historical Romance of 2011

"With lush sensuality, intense emotion, lyrical writing, and exquisitely realized characters, Thomas has delivered another unforgettable winner."-- Starred review, *Library Journal*

"We readers of romance go through a lot of books. A few are wallbangers, more are okay but not great, even more are enjoyable, and some are more than that. When I'm reading a book that falls into that fourth and smallest category, I find myself saying "OMG, I can't believe how good this is" with one part of my brain while the rest of it is saying "shut up and keep reading." *His At Night* made me feel that way, and I thank you for that. Needless to say, this is an A read for me."-- Dear Author

"Thomas doesn't just enhance the genre, she enriches it with her intelligent characters, brilliant dialogue, innovative plot twists and amazing love stories. Reading her novels is a rare treat--an insight into the hearts and minds of all who dream."-- 4.5 Star Review and Top Pick, *Romantic Times*

"The most powerfully original historical romance author writing today."
