**Skin Game (Dresden Files)** By Jim Butcher

**“Butcher is the dean of contemporary urban fantasy.”—*Booklist***

**Harry Dresden, Chicago's only professional wizard, is about to have a very bad day...**

Because as Winter Knight to the Queen of Air and Darkness, Harry never knows what the scheming Mab might want him to do. Usually, it's something awful.

He doesn't know the half of it...

Mab has just traded Harry's skills to pay off one of her debts. And now he must help a group of supernatural villains—led by one of Harry's most dreaded and despised enemies, Nicodemus Archleone—to break into the highest-security vault in town, so that they can then access the highest-security vault in the Nevernever.

It's a smash and grab job to recover the literal Holy Grail from the vaults of the greatest treasure hoard in the supernatural world—which belongs to the one and only Hades, Lord of the freaking Underworld and generally unpleasant character. Worse, Dresden suspects that there is another game afoot that no one is talking about. And he's dead certain that Nicodemus has no intention of allowing any of his crew to survive the experience. Especially Harry.

Dresden's always been tricky, but he's going to have to up his backstabbing game to survive this mess—assuming his own allies don't end up killing him before his enemies get the chance...

## Editorial Review

From [Booklist](#)

Harry Dresden, having finally succumbed to Mab and become the Winter Knight, is hiding out. The spirit of the island can help keep his debilitating headaches at bay, and keep Mab off his back. She shows up with a job for him—help Nicodemus Archleone steal the Holy Grail from Hades. As if that wasn't enough, it's Mab, so nothing is straightforward. Harry, having a good sense for survival, is quite sure Nicodemus is going to do his best to prevent anyone from surviving the experience and that Mab has motives she's not mentioning. Harry brings in Murphy as backup, Michael Carpenter plays his usual stabilizing role, and the rest of Nicodemus' team is, though reprehensible, quite an entertaining bunch of supernatural criminals. Harry is incredibly well suited to the heist, especially the back-stabbing, convoluted, conspiratorial heist that *Skin Game* turns into—and it's clear that all of this plotting is leading to another, even more epic confrontation. To top it off, a few loose ends—including a surprising solution to Harry's headaches—get tied back into the story. This should be just what fans of the Dresden Files series would hope for. **High Demand Backstory:** Butcher is generally regarded as the reigning king of urban fantasy, so librarians will find it impossible to keep fans away from his latest novel. --Regina Schroeder

Review

### Praise for the Dresden Files

“Think *Buffy the Vampire Slayer* starring Philip Marlowe.”—*Entertainment Weekly*

“Fans of Laurell K. Hamilton and Tanya Huff will love this series.”—*Midwest Book Review*

“Superlative.”—*Publishers Weekly* (starred review)

“One of the most enjoyable marriages of the fantasy and mystery genres on the shelves.”—*Cinescape*

“Butcher...spins an excellent noirish detective yarn in a well-crafted, supernaturally-charged setting. The supporting cast is again fantastic, and Harry's wit continues to fly in the face of a peril-fraught plot.”—*Booklist* (starred review)

“What's not to like about this series?...It takes the best elements of urban fantasy, mixes it with some good old-fashioned noir mystery, tosses in a dash of romance and a lot of high-octane action, shakes, stirs, and serves.”—*SF Site*

“A tricky plot complete with against-the-clock pacing, firefights, explosions, and plenty of magic. Longtime series fans as well as newcomers drawn by the SciFi Channel's TV series based on the novels should find this supernatural mystery a real winner.”—*Library Journal*

“What would you get if you crossed Spenser with Merlin? Probably you would come up with someone very like Harry Dresden, wizard, tough guy and star of [the Dresden Files].”—*The Washington Times*

### About the Author

A martial arts enthusiast whose résumé includes a long list of skills rendered obsolete at least two hundred years ago, #1 *New York Times* bestselling author Jim Butcher turned to writing as a career because anything else probably would have driven him insane. He lives mostly inside his own head so that he can write down

the conversation of his imaginary friends, but his head can generally be found in Independence, Missouri.

## **Users Review**

### **From reader reviews:**

#### **Melba More:**

Now a day folks who Living in the era exactly where everything reachable by talk with the internet and the resources inside it can be true or not involve people to be aware of each data they get.
