So Me By Graham Norton

Graham Norton, whose impish charm and quick wit has earned him a place in our hearts, looks back at his life so far. In his own words, SO ME is 'a real romp through a journey from living in a cockroach-infested council flat in Hackney to buying Claudia Schiffer's townhouse in Manhattan, from my mother dragging me to school to me dragging her to Sharon Stone's house for New Year's brunch'. From a not-so miserable Irish childhood to dropping out of Cork University and joining a commune of hippies in San Francisco, from his disastrous attempts at becoming a serious actor to the rise of his comedy career in London, this is a hilarious, insightful and moving account of a colourful life.

Editorial Review

Review

A frank, funny and sometimes tortured autobiography Andrew Billen, The Times Honest and entertaining ... he uses his quick wit and humour to amuse the reader from start to finish The Sun Frank and funny Mirror A jaunty romp with oodles of humour Hot Stars (OK) A hugely engaging account of his life that is written with the same breezy bravura that he exhibits on telly ... There are points in the book when I found myself laughing out loud, and others when I was unusually moved ... Celebrity memoirs are rarely as genuine or as generously candid Herald

About the Author

Graham Norton is one of the UK's best loved broadcasters. He presents The Graham Norton Show on BBC1, has a weekly show on BBC Radio 2, and writes a column for the Telegraph. He is the winner of eight BAFTA awards. Born in Dublin and raised in West Cork, Norton now lives in London. Holding is his first novel.

Users Review

From reader reviews:

Theresa Piercy:

What do you think of book? It is just for students because they're still students or the item for all people in the world, exactly what the best subject for that? Just simply you can be answered for that query above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great along with important the book So Me. All type of book could you see on many methods. You can look for the internet solutions or other social media.

Shay Price:

As people who live in the actual modest era should be update about what going on or details even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know what kind you should start with. This So Me is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

David Betancourt:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This So Me can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

Camille Wolfe:

Guide is one of source of expertise. We can add our know-how from it. Not only for students but native or citizen will need book to know the update information of year to year. As we know those guides have many advantages. Beside we add our knowledge, may also bring us to around the world. By book So Me we can acquire more advantage. Don't you to definitely be creative people? For being creative person must prefer to read a book. Merely choose the best book that acceptable with your aim. Don't be doubt to change your life with this book So Me. You can more attractive than now.
