### The Blue Book of Airguns By Robert D. Beeman, John B. Allen

This new, nearly 500-page publication is virtually a one-stop shopping center for up-to-date information and prices on both modern and vintage airguns. Co-written by Dr. Robert D. Beeman, the Godfather of the Airgun Industry, and John B. Allen, the new 6th Edition Blue Book of Airguns contains most popular and vintage makes and models. Also included are detailed descriptions, hundreds of B&W images identifying many popular makes and models, and up-to-date pricing. The fascinating histories on many major trademarks/manufacturers also provide a wealth of information. Completely revised for this edition is the color Photo Percentage Grading SystemTM that allows readers to stop guessing at airgun condition factors. After all, if the condition factor isn't right, the price will be wrong! Additionally, a greatly expanded Trademark Index is provided with the most current information available on modern airgun manufacturers and trademarks.
