## Editorial Review

### Review

“A clever mystery with appealing characters in a fantasy setting...topnotch reading fare.”—*RT Book Reviews*

“An interesting cross between a murder mystery, romance, and fantasy.”—*VOYA*

“[A] fun fantasy romance...There’s plenty of action, with battles against raiders and magical creatures, a bard who isn’t what he appears, and an evil mage—but there’s also plenty of humor, and some sweet moments of mischief and romance.”—*Locus*

“Ms. Briggs blends adventure, romance, and innovative fantasy with a deft hand. Highly recommend this one to all my readers.”—S. L. Viehl, author of the Stardoc series

### From the Author

If you've read any of my other books, you'll know that I like my worlds dark, and my characters tough and funny enough that the books don't really qualify as dark fantasy, *The Hob's Bargain* is no exception. I first started this book because I wanted to write an apocalyptic fantasy. Since I was reading Charles de Lint and Emma Bull's *The War of the Oaks*, I decided to set up my world with Northern European (primarily British and Gaelic) fey. Like most storytellers, though, I couldn't help but add my own 10 cents worth (especially to the Hob) -- so don't expect a Spenceresque fairy story. I hope you enjoy reading this as much as I enjoyed writing it. Comments are welcome. My email is roadkill@owt.com

PS. Roadkill is my cat's name.
