21 Proms By Scholastic

Sometimes the night of your dreams can be a total nightmare.

The prom. It's supposed to be one of the best nights of your life. Or, at least, you're supposed to have a good time. But what if you'd rather be going with your best friend's date than your own? What if a sinister underground society of students has spiked the punch? What if your date turns out to be more of a frog than a prince? Or what if he's (literally) an ape?

There are ways you can fight it. You can protest the silliness of the regular prom by hosting a backwards prom - also known as a morp. You can throw a prom for fat girls. You can stay at home to watch old teen movies and get your cute neighbor and his cuter brother to join you. You can dance to your own music.

Here, 21 of the funniest, most imaginative writers today create their own kind of prom stories. Some are triumphs. Some are disasters. But each one is a night you'll never forget.

Editorial Review

From School Library Journal

Starred Review. Grade 9 Up—In a collaboration that brings together an impressive array of 21 authors, Levithan and Ehrenhaft have produced a collection worthy of exploration. Ranging from sad to funny to truly disastrous, these memorable stories mark that oh-so-important right of passage for many teenagers. Starting with dress-hating, heel-hating, bra-hating Emilie in Elizabeth Craft's *You Are a Prom Queen*, Dance Dance Dance; moving on to Daniel Ehrenhaft's *Better Be Good to Me*, in which aging Zack remembers his prom and being in love with his best friend's girlfriend; and ending with rebel chicks Maggie and Carly, who throw the ultimate anti-prom party in John Green's *The Great American Morp*, readers are drawn into a wide cross section of prom nights from both male and female perspectives. A celebration of all that is good, bad, and sometimes unforgettable about these events, this fast-paced but carefully strung anthology speaks of pink dresses, tuxedos, first kisses, unrequited love, and the thrill of taking love to its ultimate climax. Clever writing featuring many unexpected twists and turns, as well as a stunning display of each writer's razor-sharp wit, makes this an enjoyable read. Older teens will flock to this book, which undoubtedly features some of the best teen fiction writers of our era.—*Caryl Soriano, New York Public Library*

Users Review

From reader reviews:

Marjorie Cook:

This 21 Proms book is just not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is actually information inside this book incredible fresh, you will get data which is getting deeper an individual read a lot of information you will get. That 21 Proms without we understand teach the one who reading through it become critical in considering and analyzing. Don't always be worry 21 Proms can bring whenever you are and not make your tote space or bookshelves' become full because you can have it with your lovely laptop even cell phone. This 21 Proms having great arrangement in word and layout, so you will not really feel uninterested in reading.

Hannah Norton:

Often the book 21 Proms has a lot associated with on it. So when you read this book you can get a lot of profit. The book was published by the very famous author. This articles author makes some research prior to write this book. This specific book very easy to read you may get the point easily after scanning this book.

Rona Foret:

Is it you who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This 21 Proms can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Vincent Mickens:

That reserve can make you to feel relax. This kind of book 21 Proms was multi-colored and of course has pictures on the website. As we know that book 21 Proms has many kinds or category. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. So , not at all of book usually are make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading this.
