At This Moment: The Michael Buble Story By Michael Heatley

Still in his mid thirties, Michael Bublé has a fan base as varied as the music he sings – a hip mix of standards, cleverly chosen covers and revealing self-penned songs. His looks make him a magnet to the opposite sex, but his self-deprecating style, fanaticism for ice hockey and uniquely involving on-stage humour also make him a man's man. He's come a long way since singing at the wedding of the Canadian PM's daughter shot him to overnight stardom in 2000, and he has maintained his position as the world's sharpest-suited swinger – with multi-million record sales to match.
