Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications

By Rex James, Robert James

Essentials of the Earth - 6th Edition, October 2016, is a concise, user-friendly guide to essential oils, with all the latest updates in its 282 pages. Its portable size and coil binding make it easy to take just about anywhere and it lays flat when you are reading from its pages. Essentials of the Earth features a unique and wonderful "A to Z Guide" that catalogs scores of common health concerns and reviews how single oils, oil blends, oil-based products and supplements, can be applied to help address the issues at hand. Helpful usage charts round out this ready reference. The encyclopedia includes information on essential oils and their prevalence in history, oils as an alternative to modern medicine, and methods for identifying essential oils for specific health concerns. This manual also addresses safety, science, and synergies of essential oils. Also included are Reflexology charts of the feet, hands, and ear. The Massage Blend Technique chart gives a clinical approach to essential oil application. The Quick Reference for "How Many Drops Are . . . ? provides guidance on how many drops are in different size containers, bottles, capsules, and in a teaspoon. You will love this comprehensive and focused guide to using essential oils!

Editorial Review

Users Review

From reader reviews:

Efrain Floyd:

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications. Try to the actual book Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications as your buddy. It means that it can to get your friend when you experience alone and beside those of course make you smarter than ever before. Yeah, it is very fortuned in your case. The book makes you more confidence because you can know every little thing by the book. So , we should make new experience and also knowledge with this book.

Houston Boynton:

Reading a e-book tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Using book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Lots of author can inspire their particular reader with their story or even their experience. Not only the story that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications.

Phyllis Walters:

Spent a free time to be fun activity to complete! A lot of people spent their sparetime with their family, or their particular friends. Usually they performing activity like watching television, planning to beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Could be reading a book may be option to fill your free time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try look for book, may be the guide untitled Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications can be very good book to read. May be it may be best activity to you.

Heather Stewart:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing

that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Essentials of the Earth: An Encyclopedia of Oils, Blends and Applications, you could enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its identified as reading friends.
