### **Editorial Review**

#### **About the Author**

Maria Woodworth-Etter was a groundbreaking evangelist in the early 1900's. Readers will best understand Mrs. Etter's message by noting her relationship with God and the time frame in which she ministered. Signs and wonders powerfully earmarked her ministry, and her message is timeless, though some of her language is dated. Mrs. Etter spoke and acted upon the revelation she possessed in her day. Her interpretations of Bible prophecy in light of World War I and the evolving technology of her day are most interesting. You can better understand the origins of our Christian faith by studying Mrs. Etter's works, as well as other classic texts of the time.
