### **Mind Over Matter (Language of Love)** By Nora Roberts

Theatrical agent Aurora Fields kept her personal life strictly separate from her professional one, but lines were crossed the moment she met David Brady. He had asked her client to participate in his documentary on paranormal phenomena. Aurora agreed, but she stayed on hand to protect the woman from exploitation as fiercely as a mother tigress.

Somehow David saw that Aurora's tough self-image was a little soft around the edges, and he was determined to discover what she was trying to hide. He'd always considered himself a good judge of people, so why did each moment he spent with Aurora leave her as enigmatic—and enticing—as before?
