This classic story about a boy and his horse still stands strong. It's more an inspiring account of growing up and gaining self-assurance than it is a horse story. Wells is a surprising choice for narrating this book. His voice is urban and sophisticated, with no hint of soft edges that might be more suitable for a novel set in a simpler time in the American West. Fortunately, Wells deftly handles the life lessons discovered by 9-year-old Ken. Through Wells's voice we sense the vast gap between Ken's gentle mother and his demanding father, and what each parent brings to the son.
