My Pilgrimage: A Guide On The Road To Redemption By Seth Taylor

In the Christian Church and the world at large today, addiction to pornography is not just a crisis, it is the crisis. The approach for many has been to label this a war, and scores of books and teachers have tried to show that using various control methods and tools in order to deal with the problem leads to freedom. But the crisis continues to grow, and true freedom, the kind that Jesus seems to be pointing to in the Gospels, seems forever out of reach. This powerless approach has left millions asking some very hard questions about themselves, their sexuality, and the nature of God. In this companion to the groundbreaking Feels Like Redemption: The Pilgrimage to Health and Healing, author Seth Taylor has created a Guide for every person on this movement out of addiction, depression, and anxiety. Equal parts teaching, therapeutic work, meditative journal, and art, this unique book and the video series created with it will lead readers into an entirely new way of living. Rather than giving readers a few unrealistic practices that leave them discouraged, this grace-filled adventure into the depths of the human soul will leave readers in awe of the Spirit that dwells all around and within every person. Walking this journey with Seth will show readers that this life was never a war to be fought, but rather a Sacred Journey to be walked. And in this experience, we will be changed forever. Welcome to the Pilgrimage.
