Editorial Review

From the Inside Flap

In this, the second volume of The Library of America's definitive edition of the collected works of Philip Roth, published by special arrangement with the author, the range and inventiveness of Roth's fiction is dazzlingly displayed: the somber and penetrating realism of *When She Was Good* (1967); the daring verbal wit of his comic masterpiece *Portnoy's Complaint* (1969), which made Roth a reluctant literary celebrity; the unrestrained political satire of *Our Gang* (1971), his Swiftian takedown of the Nixon administration; and the fantasy of *The Breast* (1972), featuring the debut of Roth protagonist David Kepesh as he endures a metamorphosis worthy of Kafka or Gogol.

About the Author

Philip Roth, acclaimed author of **Portnoy's Complaint**, **The Human Stain** and many other works of fiction, is the recipient of numerous awards, including the National Medal of Arts from the White House.

Users Review

From reader reviews:

Earl Diehl:
