**Standup Guy (A Stone Barrington Novel)** By Stuart Woods

**Stone Barrington is back in the newest edge-of-your-seat adventure in the *New York Times*–bestselling series.**

Stone Barrington's newest client does not seem the type to bring mayhem in his wake. A polite, well-deported gentleman, he comes to Stone seeking legal expertise on an unusual—and potentially lucrative—dilemma. Stone points him in the right direction and sends him on his way, but it's soon clear Stone hasn't seen the end of the case. Several people are keenly interested in this gentleman's activities and how they may relate to a long-ago crime . . . and some of them will stop at nothing to find the information they desire.

On a hunt that leads from Florida's tropical beaches to the posh vacation homes of the Northeast, Stone finds himself walking a tightrope between ambitious authorities and seedy lowlifes who all have the same prize in their sights. In this cutthroat contest of wills, it's winner-takes-all . . . and Stone will need every bit of his cunning and resourcefulness to be the last man standing.

## Editorial Review

From [Booklist](#)

A hefty load of ill-gotten cash is at the heart of Stone Barrington's problems in the latest entry in Woods' (Doing Hard Time, 2013) long-running series. When ex-con John Fratelli pays Stone a visit seeking legal advice about the \$2 million his cellmate bequeathed him, Stone helps Fratelli around some of the potential illegalities of the situation, given that the cash was obtained more than two decades ago in a robbery. Once Fratelli, grateful for the advice, takes off for Florida, Stone thinks he's seen the last of him, and he never imagines that he'll get wrapped up in a dogged pursuit of the money. But soon an ex-cop, the Secret Service, and a determined thug are questioning Stone about its whereabouts. The thug proves especially problematic, grabbing Stone's latest paramour and holding her hostage for \$5 million. Woods sets up a potentially interesting presidential bid that will presumably be explored in future installments, but this outing is fairly run-of-the-mill and predictable at times. And do we really need multiple scenes of Fratelli golfing with his girlfriend? --Kristine Huntley

Review

### Praise for STANDUP GUY

"Stuart Woods still owns an imagination that simply won't quit . . . This is yet another edge-of-your-seat adventure." —*Suspense Magazine*

### Praise for Stuart Woods

"Since 1981, readers have not been able to get their fill of Stuart Woods' *New York Times* best-selling novels of suspense." —*Orlando Sentinel*

"High-octane . . . Woods's blend of exciting action, sophisticated gadgetry, and last-minute heroics doesn't disappoint." —*Publishers Weekly*
