Editorial Review

Review

"As the scope of practice in family medicine is broad, this book provides a wide range of cases that a family medicine physician must understand for their daily encounters with patients... This is a worthwhile study aid for those preparing for the family medicine certification examination."

-Vincent F Carr, DO, MSA, FACC, FACP(Uniformed Services University of the Health Sciences) **Doody's Score: 90 - 4 Stars!**

Users Review

From reader reviews:

Jocelyn Welch:
