The Flipside of Feminism: What Conservative Women Know -- and Men Can't Say By Suzanne Venker, Phyllis Schlafly

Forty years have passed since the so-called women's movement claimed to liberate women from preconceived notions of what it means to be female - and the results are in. The latest statistics show that as women have gained more freedom, more education, and more power, they have become less happy. In *The Flipside of Feminism*, Suzanne Venker and Phyllis Schlafly provide readers with a new view of women in America - casting off the ideology that preaches faux empowerment and liberation from men and marriage. Their book demonstrates that conservative women are, in fact, the most liberated women in America and the folks to whom young people should be turning for advice. Their confident and rational approach to the battle of the sexes is precisely what America needs.

Editorial Review

Review

A gutsy and profound book. Those who crave the truth will inhale The Flipside of Feminism, while those beholden to feminism will resist it. For both, Flipside is a must-read. Schlafly and Venker show how insidious the feminist movement is --Ann Coulter

The Flipside of Feminism exposes the lies at the core of the feminist agenda: there is no difference between men and women, the hook-up culture is liberating, women are oppressed victims in the home and office, and children are fine when left all day in daycare. Those who consider themselves 'socially liberal but fiscally conservative' will re-examine their attitudes after reading this book." --Mark Levin

Phyllis Schlafly and Suzanne Venker have written a courageous and illuminating book on the oppression of women by the feminist left. Everyone of sound mind should read and learn from this book." --David Horowitz

About the Author

A former teacher-turned-social critic, Suzanne Venker is an author and speaker on politics, marriage, parenting, and the culture. A well-known commentator on cultural issues, Suzanne has appeared on ABC, CNN, FOX, Huff-Po Live and C-Span--as well as hundreds of radio shows throughout the country, including the Laura Ingraham Show. How to Choose a Husband is her third book.

Phyllis Schlafly is a national leader of the conservative movement since the publication of her best-selling 1964 book, A Choice Not An Echo. Author of 20 books, Schlafly has written a monthly newsletter since 1967 called The Phyllis Schlafly Report and a syndicated column, which appears in 100 newspapers. Her daily radio commentaries are heard daily on over 600 stations, and her radio talk show on education called Eagle Forum Live is heard weekly on 90 stations. She lives in St. Louis.
