“You can’t help but fall in love with Lynsay Sands!”

Whether she’s enthralling readers with the exploits of her Argeneau vampire family, transporting fans to the Scottish Highlands, or enchanting them with love affairs of the noble lords and ladies of the Regency *ton*, *New York Times* and *USA Today* bestseller Lynsay Sands knows how to pen a winner! *The Heiress*—the second book in the very sexy, very funny Regency romance series she began with *The Countess*—is further proof of Sands’s historical romance mastery. The winning tale of an alluring beauty desperately seeking a *poor* husband, *The Heiress* is exactly the kind of sharp and witty read that fans of Julie Garwood and Teresa Medeiros—not to mention Lynsay’s own army of aficionados—are looking for.

From the Back Cover

Desperately seeking a husband . . .

Suzette is not like other heiresses; she wants a poor husband, a gentleman who will be so grateful for her dowry that he will allow her access to it so that she can pay off her father's gambling debts. When this alluring beauty encounters Daniel Woodrow—handsome, titled, single . . . and even more impoverished than she could have hoped for—it seems Suzette's wildest dreams have come true.

But Daniel has not been truthful. Tired of being accosted by an endless stream of vapid coquettes and their fortune-hunting mothers, Daniel has decided to plead poverty to stop them in their tracks. Yet here is a most refreshing and delectable lady, who claims to be thrilled by his penury. Now all Daniel has to do to find true happiness is to keep a little white lie alive . . . while avoiding a villain who's determined to prevent this union by any means necessary.

About the Author

Lynsay Sands is the nationally bestselling author of the Argeneau/Rogue Hunter vampire series, as well as numerous historicals and anthologies. She's been writing since grade school and considers herself incredibly lucky to be able to make a career out of it. Her hope is that readers can get away from their everyday stress through her stories, and if there are occasional uncontrollable fits of laughter, that's just a big bonus.
