The Perilous Sea (Elemental Trilogy) By Sherry Thomas

Iolanthe and Titus continue their mission to defeat the Bane in this striking sequel to *The Burning Sky*—perfect for fans of Cinda Williams Chima and Kristin Cashore—which *Publishers Weekly* called "a wonderfully satisfying magical saga" in a starred review and *Kirkus Reviews* said "bids fair to be the next big epic fantasy success."

After spending the summer away from each other, Titus and Iolanthe (still disguised as Archer Fairfax) are eager to return to Eton College to resume their training to fight the Bane. Although no longer bound to Titus by blood oath, Iolanthe is more committed than ever to fulfilling her destiny—especially with the agents of Atlantis quickly closing in.

Soon after arriving at school, though, Titus makes a shocking discovery, one that throws into question everything he believed about their mission. Faced with this revelation, Iolanthe struggles to come to terms with her new role, while Titus must choose between following his mother's prophecies—or forging a divergent path to an unknowable future.

Editorial Review

From School Library Journal

Gr 9 Up—Teen mages Iolanthe and Prince Titus continue the fight to overthrow the Bane and take back the Realm that began in *The Burning Sky* (HarperCollins, 2013). Though it's really more complicated than that, this second installment throws one plot twist after another at readers. Thomas moves easily from humorous repartee to darkly gripping action sequences, making for an enjoyable ride. At times, the multiple viewpoints and time lines can be cumbersome. The author makes up for this with creative storytelling and strong characters; Iolanthe and Titus have particularly good chemistry. Some clever subversions of traditional fantasy plotlines make this series a smart choice for thoughtful fantasy readers who like a complicated backstory.—Eliza Langhans, Hatfield Public Library, MA

Review

“A smart choice for thoughtful fantasy readers.” (School Library Journal)

“Will stoke anticipation for the next volume.” (Kirkus Reviews)

“Thomas mixes her coexisting worlds—Victorian England and a parallel magical Realm—with skill, and the romance bubbles with witty banter and elaborate declarations of love. It’s theatrical but satisfying.” (Booklist)

“A fantastic adventure filled with sneaky spies, all kinds of magic, and a whole bunch of unexpected surprises.” (Voice of Youth Advocates (VOYA))
