## The Strange RPG By Bruce R. Cordell

MCG028 The Strange Core Rule Book Hard Cover RPG Monte Cook Games

The Strange. It is an RPG set on Earth, in the modern day. But a few people a very few people have discovered how to travel to other places. They call them recursions, and they are like limited pocket dimensions with their own laws of reality, connected to Earth via a dark energy network beneath the normal matter of the universe. A dangerous, chaotic network they call the Strange.

Recursions spawn from the myths, legends, and fiction of humanity, so the setting of virtually any story, film, or novel could form a recursion, as could any mythical realm or place of legend. They are not entire parallel universes they are limited in scope, rarely larger than a continent and sometimes not much bigger than a city block. Often the denizens are not even self aware, but are little more than automatons going through the motions of their fictional world.

Your character is quickened; you are one of the ones who can travel into Earths shoals to discover and explore the seemingly limitless recursions around our world. Oz. Barsoom. Asgard. The Dreamlands. The Victorian London of Sherlock Holmes. The setting of your favorite novel or movie. Worlds even more exotic or bizarre, driven by laws of magic, psionics, or weird science. When you visit these worlds, you adapt to them, taking on some of the physical aspects and knowledge of the natives. You become, in part at least, a different version of yourself.

What will you find when you venture into Earths shoals? And what will find you, as you travel into. . .

### Editorial Review

### Users Review

#### From reader reviews:

#### Linnie Martinez:

Nowadays reading books are more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want have more knowledge just go with training books but if you want experience happy read one with theme for entertaining including comic or novel. The actual The Strange RPG is kind of book which is giving the reader unpredictable experience.

#### Wayne Sutphin:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is from the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take The Strange RPG as the daily resource information.

#### Houston Boynton:

You are able to spend your free time to learn this book this reserve. This The Strange RPG is simple to bring you can read it in the park, in the beach, train and soon. If you did not have much space to bring the actual printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

#### Mary Jones:

Beside this The Strange RPG in your phone, it may give you a way to get more close to the new knowledge or info. The information and the knowledge you might got here is fresh from the oven so don't end up being worry if you feel like an previous people live in narrow small town. It is good thing to have The Strange RPG because this book offers to you readable information. Do you at times have book but you seldom get what it's all about. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. So do you still want to miss the item? Find this book and also read it from today!
