Two Knotty Boys Back on the Ropes By Two Knotty Boys

There are thousands of great books about knots. There also are many great books about bondage. However, there are few books that clearly illustrate the step-by-step process of turning great knots into great bondage. It's one thing to know how to tie an Eagle Scout's worth of sheep shanks, bowlines and clove hitches. It's another thing to know how to tie up your partner.

Putting knots to work on the human form is an entirely different animal compared to seamanship, mountaineering or crocheting — especially if you want your bondage to be safe, sensual, attractive and effective. After all: you're not tying rope — you're tying people.

When Two Knotty Boys, Dan and JD, began teaching rope bondage together in 1999, they discovered that most people learn best when they're shown — close up, step by step, and repeatedly — how to tie basic knots and combine them into bondage techniques. It is this learning process that they duplicate in this book. With the help of photographer Ken Marcus, Two Knotty Boys use photos and captions to show-not tell the soup-to-nuts techniques for turning rope into rope bondage. Forget long texts. Forget dissertations about BDSM or how to be a Dominant. There are plenty of books that cover that. Two Knotty Boys Showing You The Ropes fills the gap between books about knots and books about bondage.

Unlike videos or DVDs that must be played and memorized, Two Knotty Boys Show You The Ropes can be a bedside companion to actual bondage. With easy-to-understand captions and clear step-by-step photos, readers can learn at their own pace, review whole techniques at a single glance or even lay it flat on the table (beside their blindfolded partner) and follow along as they tie.

Editorial Review

Users Review

From reader reviews:

Ruth Brinkman:

Book is definitely written, printed, or illustrated for everything. You can recognize everything you want by a guide. Book has a different type. To be sure that book is important issue to bring us around the world. Adjacent to that you can your reading ability was fluently. A publication Two Knotty Boys Back on the Ropes will make you to always be smarter. You can feel more confidence if you can know about every little thing. But some of you think this open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Edward Payne:

Are you kind of active person, only have 10 as well as 15 minute in your morning to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your limited time to read it because all of this time you only find book that need more time to be examine. Two Knotty Boys Back on the Ropes can be your answer given it can be read by anyone who have those short extra time problems.

William Petterson:

This Two Knotty Boys Back on the Ropes is fresh way for you who has interest to look for some information given it relief your hunger info. Getting deeper you on it getting knowledge more you know or else you who still having tiny amount of digest in reading this Two Knotty Boys Back on the Ropes can be the light food for you because the information inside this kind of book is easy to get simply by anyone. These books create itself in the form that is certainly reachable by anyone, that's why I mean in the e-book web form. People who think that in publication form make them feel sleepy even dizzy this e-book is the answer. So there isn't any in reading a publication especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book sort for your better life and also knowledge.

Bettye Heinrich:

That book can make you to feel relax. This book Two Knotty Boys Back on the Ropes was multi-colored and of course has pictures on there. As we know that book Two Knotty Boys Back on the Ropes has many kinds or style. Start from kids until young adults. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book are usually make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading that will.
