Adventure: What we consider adventure, some call hardship, pain and certain death. The privation, the politics, the bloody fights all take their toll, but it is only when we struggle that we truly live. We fight to overcome. We deal for gain. We suffer for glory.

The Adventure Burner is the third supplement for the Burning Wheel Fantasy Roleplaying System. It provides a system for setting up and running sessions, adventures and campaigns. Examples are provided in the form of three ready-to-run scenarios-The Sword, Trouble in Hochen and Thelon's Rift-and 42 sample characters.

In addition, this volume provides extensive insight into the Burning Wheel system. 150 pages of commentary guide the reader through the game and its application in play. A handful of new and clarified rules complete the book.

These assets make the Adventure Burner an invaluable resource for neophytes and haggard veterans alike.
